

DHS Attendance Incentives

Bi-Monthly Gift Cards – If a student has 100% attendance for a two month period they will receive a \$5 Wal Mart gift card. We will give these cards out after the end of September, November, January, March, and May. Students must be enrolled during the entire two month block of time to qualify.

Final Time Exemption – If a student misses one day or less in a semester (and the one absence must have a doctor’s note excusing it) they will not have to show up for the scheduled final time for their classes. There are a couple of exceptions. Students must be passing the class to qualify for the exemption. Also, students will not be able to miss End of Course testing or a Dual-Credit College Class final if it is given during that time. This will be figured on a period by period basis, meaning if a student misses one class twice it will not disqualify them from this policy if they meet the requirement in their other classes. If a student qualifies to miss all of their scheduled finals in a day they will not be required to attend school at all on that day.

Bonus Points for Attendance - Students who miss four (4) or less days a semester in a class shall be rewarded with bonus percentage added to the semester grade. Students must, however, be making at least 60% on the semester grade to qualify for any bonus. Percentages shall be determined as follows:

0-1 classes missed	4% bonus added to the semester grade
2 classes missed	3% bonus added to the semester grade
3 classes missed	2% bonus added to the semester grade
4 classes missed	1% bonus added to the semester grade
